PETITION TO ACCORD A FILING DATE

The filing date granted to the subject application is incorrect. Specifically, the filing date granted by the U.S. Patent and Trademark Office is November 23, 2002. However, the application was filed on October 23, 2001. Applicant submits herewith: a copy of the original Express Mail label, which specifies the "date in" as October 23, 2001 and bears the United States Postal Service stamp of October 23, 2001; a copy of the self-addressed postcard received from the U.S. Patent and Trademark Office; and a copy of Response to Request for Corrected Filing Receipt.

Applicant respectfully requests that the U.S. Patent and Trademark Office change the filing date granted to the subject application from November 23, 2001 to October 23, 2001.

Please charge any petition fee that may be due to Deposit Account No. 06-1050. However, as applicant respectfully asserts that no defect existed in the subject application at the time of filing, namely October 23, 2001, applicant respectfully requests a refund of any petition fee charged to Deposit Account No. 06-1050.

Respectfully submitted,

RESPONSE TO REQUEST FOR CORRECTED FILING RECEIPT

Application Filing Date

In response to your request for a corrected Filing Receipt, the Office can not comply with your request because:

If your application was submitted under 37 CFR 1.10, your filing date should be the "date in" found on the Express Mail label. If there is a discrepancy, a petition to accord a filing date should be submitted along with a copy of the Express Mail label showing the "date in" and be directed to the Office of Petitions.

A copy of the Express Mail label was not enclosed with your request. Petitions under 37 CFR 1.10 require a copy of the Express Mail Label to be submitted.

The "date in" on the Express Mail label is the date given on the Filing Receipt.

The filing date accorded to the application is the date the application met the filing date requirements of 37 CFR 1.53(b) or (c).

Applications submitted with a certificate of mailing under 37 CFR 1.8 are accorded a filing date as of the date the application is received in the U.S. Patent and Trademark Office. A request to review the filing date accorded to the application must be in the form of a petition.

The filing date on your return postcard is the same as the date on your Filing Receipt. A request to review the filing date accorded to the application must be in the form of a petition.
